Description

Thong

The OOlala sandal features revolutionary OOfoam™ technology that absorbs 37% more impact than traditional footwear foam materials to reduce the stress on your feet and joints. This technology aids in the recovery process and creates an incredibly comfortable sandal you can wear anywhere. This feminine silhouette has slightly narrow footbed compared to the OOriginal, which compliments every outfit, day or night

Features And Benefits

We kicked up the style quotient with stylish good looks you can wear all day, glossy uppers, bold colors, and a slimmer, more streamlined silhouette. Expect the same OOfoam technology and patented footbed design as our OOriginal to take the stress off tired feet and joints.

- Reduces stress on sore feet, knees, and back
- Enables more natural motion
- Minimalist construction for light weight
- Machine washable, plus moisture and bacteria resistant
