Mach 6

ROAD

Your gateway to everyday speed

Behold our lightest, most responsive Mach to date. This lively trainer has been fine-tuned for extra energy return with a super critical foam midsole and updated for enhanced durability with strategic rubber coverage in the outsole. Implementing speed focused design details throughout, we've enlisted a new creel jacquard upper with zonal breathability and an internal gusset to deliver the foot-hugging comfort required to set your next PR.

THE ULTRA-CUSHIONED GAME-CHANGER

One of the hardest working shoes in the HOKA lineup, the Bondi 9 delivers peak plushness for everyday miles. Overhauled from top to bottom, we’ve increased the stack height and added a new premium foam midsole to deliver that soft, resilient ride that’s become synonymous with the Bondi. Elevated with a 3D molded collar and structured knit upper with zonal breathability, this ultra-cushioned cult favorite has been finished with Durabrasion rubber to combat high wear zones.

LIGHT AND PLUSH FOR EVERYDAY MILES

A trusted trainer for daily maintenance miles, the Clifton has been the keystone of our cushioned styles for 10 years and counting. Ushering in a new era of plush performance, this next-generation update delivers a revitalized underfoot experience with an additional 3mm in heel-to-toe drop. Delivering the same ultralight cushioning that made the Clifton a fan favorite, we’ve fine-tuned the fit and added a breathable jacquard upper with double-lace lock to mitigate tongue migration.

Clifton 9 GTX

ROAD

A cushioned ride, rain or shine.

Empowering runners to log their miles – no matter the weather – our classic Clifton has been updated with GORE-TEX Invisible Fit with recycled content and weather-ready traction pods. HOKA’s first-ever weatherproof road shoe, this splash-ready silhouette features 360-degree reflectivity and closed mesh construction for added protection. Designed to shine, even when the weather doesn’t, the Clifton 9 GTX proves no forecast is too fierce.

ROAD

Cloud-Weight Cushion, Built for the Long Haul

Renowned for its startling cushion-to-weight ratio, the Rincon 4 received a top-to-bottom makeover to ensure the uber-light softness it’s famous for lasts through even more miles. Upgraded foam provides better rebound while increasing longevity, and works together with rubberized EVA to make each step feel softer than the last. With a durable podular outsole design and a more foot-hugging fit than before, this daily trainer is engineered for a longer life without weighing you down.

Stinson 7

TRAIL

Max cushion from street to summit.

If you’re going to pack just one pair on your next adventure, this is it. Known as the Swiss army knife of shoes – thanks to its road-to-trail agility – the Stinson 7 cues up the perfect blend of plush cushioning and versatile traction. Made to conquer any terrain, you’ll find pavement, trail, and gravel are no match for the Stinson’s stabilizing H-Frame™, rubber toe cap, and multi-directional lugs.

SANDALS

Infini Hike TC

TRAIL

A CUSHY, QUICK-DRY ADVENTURE SANDAL.

The wait is over. HOKA’s legendary cushioning is now available in an open-toe adventure sandal. Equipped with three points of adjustability for easy on and off, the Infini Hike is the ultimate all-terrain vehicle. Engineered with a deep heel cup for foot-cradling comfort, we’ve topped our dual-density midsole with a spongy Ariaprene® upper and quick-dry straps with speed buckle. Grounded in a Vibram® Megagrip outsole for enhanced grip on slippery surfaces, this adaptable adventure sandal has been designed to be re-soled by an official Vibram® cobbler.

Hopara 2

TRAIL

FEELS LIKE A SANDAL, FUNCTIONS LIKE A HIKER.

Equally at home by land or water, the Hopara 2 tackles mud, dirt, and rocks with the same amphibian-like ease. Reconceived with earth-conscious materials, we’ve implemented a 30% sugarcane topsole, 100% recycled knit upper, and 100% recycled CORDURA® mesh overlays to allow for water drainage while keeping trail debris at bay. Engineered with a toggle lace, adjustable heel strap, and quick-dry water repellency, there’s no need to take your shoes off at the next creek crossing.
