# Handmade in Brazil

---

Every detail of the Ashland collection reflects the fine art of shoemaking. From genuine wood soles to tanned leather uppers, these handmade Brazilian clogs exhibit unique style and tell a fascinating origin story.

Beginning with natural wood, soles are meticulously hand cut, carved and sanded to create a distinct shape.

To capture the striking highs and lows of the rich wood grain, soles are flame burnished by hand and then promptly stained for lasting protection.

Adding functional fashion, the individually hammered nails not only fasten leather uppers to finished soles, they supply subtle style accents as well.

# Our Footprint

---

Dansko is committed to being your favorite company to work with and your favorite products to provide. We care about the bigger picture and quality of life, rather than just selling products. We treat our employees and partners like family and require our manufacturing partners around the world to adhere to our Code of Conduct regarding working environments, labor, human rights, and safety.

## Terms & Conditions

---

### CREDIT TERMS:

- All new stores and storefronts must be pre-approved by Dansko, LLC and by a regional Dansko independent sales representative.
- Dansko's standard terms are net 30 days, with approved credit. A Dansko Credit Application form must be completed, signed and returned to Dansko before credit will be assessed.
- All new accounts must complete, sign, and return the Dansko Standard Terms & Conditions of Sale agreement to Dansko before any merchandise can be shipped.

### DELIVERY:

- Dansko takes great care in our delivery model and have a dedicated team that works hard at our state-of-the-art Distribution Center. We will always do our very best to ship within a reasonable period of order receipt.
- Allow 4-8 weeks for items not currently in stock.
- Unless otherwise advised by Dansko, all back-orders are considered valid, will be shipped as available, and will include shipping charges.
- All orders will be shipped via UPS Ground unless otherwise requested.
- Accounts will be notified in the event of anticipated delays in delivery.
- All shipments are subject to a \$1.75 per carton handling fee.
- If a shipment is refused for any reason other than an error in the shipping process, a \$3.50 per pair re-stocking fee, plus shipping costs, will be charged.
- Drop ship items and orders of one or two pairs will be assessed a \$5.00 service charge, per order.
- Transshipping Dansko products by an Account is not permitted without prior written approval from Dansko.

### PAYMENT TERMS:

- Failure to pay invoices within terms, post-dating checks, or checks returned for non-sufficient funds are grounds for non-shipment.
- A service charge of 1.5% per month will be assessed on all overdue accounts.
- It is the Account's responsibility to inspect all shipments and notify Dansko of any claims or invoice discrepancies within 30 days of invoice date.
- Deductions from payments for any reason will not be permitted until credit memos are issued.

### RETURNS:

- Returns will be accepted for defective merchandise only. If products are repairable, Dansko may, at its discretion, incur the cost to repair the product before replacing or crediting the account.
- No item may be returned without first contacting Customer Service to obtain an RA#; a \$3.50 per pair re-stocking fee will be assessed for invalid RA#s.
- If, at Dansko's discretion, return authorization is given for non-defective merchandise, a \$3.50 per pair re-stocking fee will be assessed.
- Once authorized please make sure all returns are sent to the Dansko Distribution Center, 10 Five Star Road, West Grove, PA 19390.

### INTERNET POLICY:

- Accounts that wish to distribute Dansko footwear and accessories via the Internet must be approved by Dansko. Contact Dansko sales for additional information.

See the Dansko, LLC. Standard Terms and Conditions of Sale Agreement for complete information.

# Marketing Development Fund Guidelines

---

Dansko values its partnerships with retailers and is eager to support marketing efforts that align with our brand initiatives through Marketing Development Funds. These discretionary funds aim to boost Dansko brand awareness and drive traffic to your store through activities such as direct mail, exterior signage, PR, social media campaigns, and radio and print advertising.

To be eligible for Dansko Marketing Development Funds, details of your marketing plan must be **pre-approved** by Dansko in writing and conform to our guidelines described in this document.

## MARKETING DEVELOPMENT FUND ELIGIBILITY

We invest in retailers that offer the best opportunities for our brands' mutual success. Retailers must provide a detailed plan with associated cost and submit their request through the retailer portal, [Retailer.Dansko.com](https://Retailer.Dansko.com) for review. Funds are allocated based on several factors, including a retailer's growth with Dansko, the strategic alignment of their plan with our brand, and the historical performance of their marketing efforts.

For help planning an ad campaign or an event, or for help with artwork, please email [MarketingSupport@dansko.com](mailto:MarketingSupport@dansko.com) or call us at 800.DANSKO.4 (800-326-7564) and ask for the Marketing Department.

**Please note:** Marketing Development Funds (MDF) are not guaranteed season-to-season, year-to-year nor are they held in an accruing account.

## STEP 1: REQUEST MARKETING SUPPORT

To request MDF for your marketing activity, please submit a new marketing support request located on [Retailer.Dansko.com](https://Retailer.Dansko.com). If artwork is complete, please submit a copy of your artwork along with request.

- You will be notified by Dansko within 3 business days after submission of your request regarding the status of Development Funds allocated. If approved, you will receive a confirmation email with a confirmation number confirming level of support.
- All marketing requests should be received at least 4 weeks prior to advertisement/publication print deadline or event date.

**Please note:** The Dansko retailer site is password protected. To create a login, click "Create a New Account" and provide the required information. The next time you visit the retailer site, simply log in with your account credentials. Should you forget your login credentials, please contact [MarketingSupport@dansko.com](mailto:MarketingSupport@dansko.com) for assistance. We are happy to help!

## STEP 2: ARTWORK REVIEW

If you did not include your artwork with your marketing support request, you must submit it for pre-approval, as this is required to receive MDF. We strongly recommend using the seasonal assets created by our marketing team, which are consistent with the Dansko brand. These assets are available for selection on [Retailer.Dansko.com](https://Retailer.Dansko.com). Artwork must be submitted for pre-approval at least two weeks prior to the print deadline or event date to allow sufficient time for review and feedback. Please upload your artwork in the marketing portal at [Retailer.Dansko.com](https://Retailer.Dansko.com).

The marketing portal, [Retailer.Dansko.com](https://Retailer.Dansko.com), is a resource for all your lifestyle & social assets, Dansko logos and other marketing downloads. Advertisements that feature other brands may not be eligible for Marketing Development Funds, please seek pre-approval prior to artwork release.

**SEE FOLLOWING PAGE FOR MORE DETAILS.**

### STEP 3: REIMBURSEMENT

Once the **approved** marketing plan activity has come to its conclusion, please complete and submit your reimbursement request, with the appropriate documentation, in the marketing portal [Retailer.Dansko.com](https://Retailer.Dansko.com). The reimbursement request must be submitted to Dansko no later than 60 days from the date of the advertisement or event conclusion, and you will need to provide:

- A copy of the original invoice and tear sheet with actual advertisement.
- A copy from the publication in which the advertisement appeared.
- Written confirmation of actual air-times and copy from the advertisement for radio and/or TV advertisement, **signed by a notary**.
- Social/Digital ads must include a copy of original receipt with ad date, actual advertisement and supporting documentation, such as performance, click rate and impressions.

**Please note:** If you did not receive prior approval to create the advertising material, your request for reimbursement may not be approved.

The following activities are **NOT** eligible for MDF:

- SEO
- Email list generation
- Posts on social media pages
- Ads on a retailer's own website
- Online directories and review sites
- Website maintenance
- Other activities NOT PRE-APPROVED by Dansko

**Please note:** Dansko will not reimburse for any advertising that includes pricing lower than Dansko's MSRP.

### USE OF THE DANSKO LOGO

Always use the Dansko logo in its original form without any changes, including when used in print, digital or television advertisements. By using the logo in its original form, you help ensure that customers recognize your store as an authorized Dansko retailer. According to studies, brand recognition only occurs after a consumer has seen a logo 12 times or more; consistent use of the Dansko logo will help drive consumer recognition with your store. Always use a high-resolution logo file in layout or artwork. **Do not** stretch, crop, recolor, change the color, or otherwise modify the Dansko logo.

All of Dansko's other policies and terms apply to these guidelines, and eligibility to participate in MDF is subject to an account **not** being in violation of any of Dansko's other policies and terms. The foregoing includes, but is not limited to, **the requirement that an account be in good credit standing with Dansko in order to participate.**

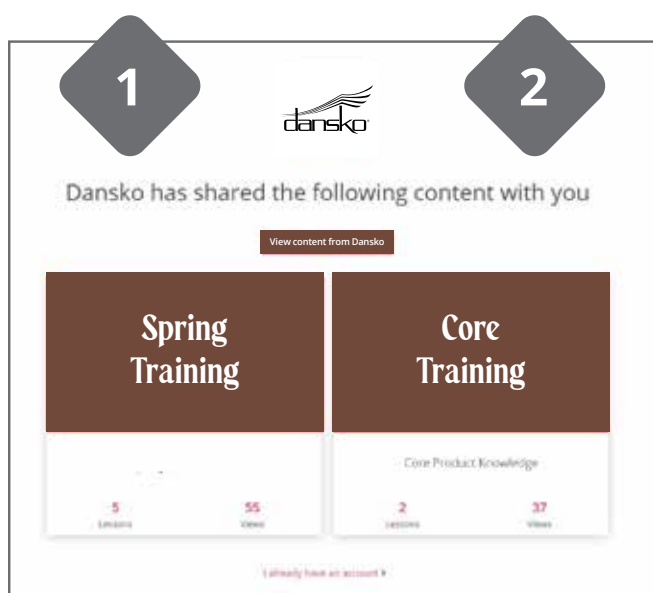

For additional questions about these Marketing Development Fund Guidelines, please contact [MarketingSupport@dansko.com](mailto:MarketingSupport@dansko.com).
