TREND — AUGUST/SEPTEMBER

HERITAGE BLOOMED

Some patterns never fade, passed from one generation to the next, stitched into quilted cotton, denim, and corduroy.

Our ditsy florals honor this heritage: timeless and enduring, they connect us to the past while carrying us forward.

Alongside them, a new bird motif takes flight — colorful, joyful, and free. Together, these patterns remind us that heritage isn't static; it evolves, binding us to where we come from while opening us to new journeys.

"This print draws from our heritage, with birds resting in winding, vining branches. I was inspired by an upholstery driven aesthetic, something that's also deeply rooted in our history. The design feels both traditional and alive at the same time."

— JESSICA GRACA, SR. SURFACE DESIGNER

TREND — OCTOBER/NOVEMBER

'TIS THE CELEBRATION

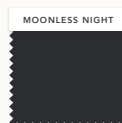

Her home transforms into a festive spirit—glowing with the joy of gathering. Friends arrive in moody florals and paisleys, layered with velvet and rich tones that warm the room.

We honor the richness of the season with poinsettia-sized florals, light-hearted plaids and whimsical motifs that conjure the magic of holiday memories.

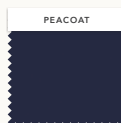

“We wanted to create a bear print that felt utterly Vera Bradley in every way and a little ditsy bear repeat with a border print featuring our heritage quilted stuffed bear seemed like the perfect way to do it.”

— MOLLY SHEA, SR. SURFACE DESIGNER
